U.S. MAKEUP DYNAMICS

THE “JE NE SAIS QUOI” AESTHETIC

The French aesthetic embodies **simplicity, efficacy, and timeless allure**. Rooted in the iconic French pharmacy tradition, it resonates globally with consumers seeking safe, chic beauty. Viral trends like **#FrenchPharmacy** on TikTok amplify its influence, reshaping retail strategies.

Credo Beauty is tapping into this momentum with a new capsule collection featuring brands like Verdoie. By blending clean, sustainable innovation with classic efficacy, Credo engages consumers, especially Gen Z, by offering conscious choices in a crowded beauty market.

FACE MAKEUP TRENDS | HYPER-LUXURY

BEAUTY INTO HYPER-LUXURY

Hyper-luxury beauty is **expanding the meaning of exclusivity**, merging care, timeless design, and innovation. In 2025, **the category goes beyond products to offer aspirational experiences** that turn beauty into a statement of artistry, status, and **personal distinction**. As economic uncertainty reshapes consumer behavior, wealthy audiences are shifting their spending habits: they increasingly invest in high-quality, long-lasting beauty products that deliver **tangible results**. Hyper-luxury beauty responds to this demand by creating rare, highly curated offerings, setting new benchmarks for desirability, craftsmanship, and prestige in the industry.

Sisley Paris

COLOR MAKEUP TRENDS | SKIN TECH

CLINICALLY INSPIRED LIP SHIELD

The lip category **continues to grow in the U.S.**, with a surge of products that go **beyond color or shine to prioritize care and protection**. Clinically inspired formulas combine hydration, SPF, and treatment benefits, reflecting the broader trend of “skinification” in makeup. Many products act as 3-in-1 solutions **nourishing the lip barrier while delivering a polished finish**. By focusing on long-term lip health alongside aesthetic appeal, these products offer consumers both functionality and beauty, bridging the gap between skincare and color for a truly holistic lip experience.

Caliray
Lipguard SPF 31 Hydrating Lip Gloss Balm

A high-shine, nonsticky, semi-sheer lip-gloss balm that hydrates and smooths lines.

SPF 31 Non-Nano Zinc Oxide: Provides nontoxic, reef-safe, broad-spectrum UVA and UVB protection.

Fresh
Sugar Treat Hydrating High Shine Lip Oil

A glossy tinted oil that delivers **up to 24 hours of hydration and fuller-looking lips with each use**.

Plum Seed, Black Currant, and Grapeseed Oils: Maintain hydration, leaving lips feeling soft, smooth, and supple.

Sarah Creal
No Further Questions High Glide Peptide Lip Gloss

A high-shine, cushiony lip gloss that **provides supreme hydration, and lasting softness**.

Peptides: Supports skin's natural resilience. **Algae Extract:** Supports a healthy skin barrier.

Alleyoop
Sun Serum SPF Lip Oil

This **3-in-1 lip** oil glides on like a **serum** and shines like a **gloss**, delivering **SPF 40 protection**, deep hydration, and a touch of color. It **nourishes** and cushions lips while **shielding them from over 97% of UV rays**.

Florence by Mills
Butter Crème Super Balm

This ultra-nourishing and cushiony tinted balm features a botanical butter blend to soothe, condition, and replenish lips.

Clinically proven to **improve lips' barrier in 15 minutes and immediately increase hydration by 192%**.

EYE MAKEUP WITH TAPE

Fazit has gained **significant attention among consumers** with “Eye Speckles”, innovative **eyeshadow patches** designed for instant application. These **temporary lid lacquer patches** deliver flawless eye makeup with a long-lasting finish of **1 to 3 days**. Meanwhile, the “**Makeup with Tape**” trend captured attention thanks to content creator Anna Beauty Creator, whose **viral video hit more than 6M views**. Beauty lovers are using **tape as both a tool and a base**—cutting and shaping it to match their eye contour, then applying eyeshadow, eyeliner, and even false lashes directly onto it. **The result is a fully removable, reusable eye look**. While it involves some initial crafting, it can be reapplied multiple times, offering a personalized, **time-saving approach to eye makeup**.

Silver Eye Speckles

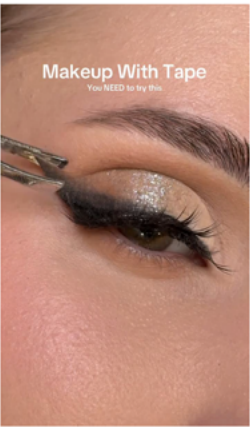

These are **temporary lid lacquer patches** that deliver flawless, high-performance eye makeup. **Just patch, press, and peel** to reveal their signature eye-speckle design.

Sweat-proof, waterproof, and **built to last, they stay put for 1-3 days** — yet remove easily with an oil-based cleanser or micellar water.

BOLD LIPS VS BOLD EYES

A new TikTok trend is capturing attention as beauty creators and consumers compare bold lips and bold eyes to **see which feature enhances their look more**. The focus isn't on the application technique, but on **the side-by-side visual contrast between the two statement styles**. Part of the trend's appeal lies in its quick, easily viewable format, which lets **viewers instantly see the impact of each look**. **The comment sections have become lively hubs for sharing opinions, tips, and personal preferences, fostering a sense of community and engagement around this playful debate**.
